Dear Friends,

Please know that I am thankful for the generous donations that you have given me over the years. I genuinely appreciate your continued support for our work together.

I have been blessed by my opportunity to work in the Congress and influence policies that have a significant impact on the lives of so many of our neighbors here in Maryland. I would not be nearly as effective without the backing of people like you who support my work.

Your confidence in me inspires me – and I continue to need your help.

In the wake of the *Citizens United* Supreme Court decision, powerful economic forces are utilizing multi-million dollar donations in their attempt to overwhelm the democratic will of everyday people like us. I am working in the Congress to demand more prompt and effective disclosure of these billionaire forces, but those reforms will take some time to enact.

For now, I must rely upon the volunteer efforts and continued support of individual citizens like you to protect the rights of the American people.

Please donate \$25, \$50, \$100, \$250, \$500 or whatever you are able to give to my campaign. With your help, I can continue to serve you and the values that we hold so dear.

I have always counted on you and good people like you. For your convenience, you can donate online at www.cummingsforcongress.com - or you can send a personal check made out to "Cummings for Congress" to: Cummings for Congress, 2901 Druid Park Drive, Suite 203, Baltimore, MD 21215.

If you have questions or need further clarification, please call Carla Farrington at 443-934-3860 or 410-669-8400 - or email her at campaign@cummingsforcongress.com

Sincerely,

Elijah E. Cummings
Member of Congress
