## **7th District, House of Representatives**

### **[Elijah Cummings](#)**

The *AFRO* endorses Elijah Cummings as the Democratic candidate to the House of Representatives from the 7th District. We do this without hesitation or reservation because since his election to the office in 1996, two important words have always applied to his work – tireless and integrity.

Cummings provides wonderful constituent services and is constantly looking for ways to bring those in his jurisdictions, the state and the country forward when they are in need. In the last 12 months he worked directly with the country's mortgage companies to bring no less than three mortgage/foreclosure prevention seminars to those in need. He is constantly acting on ways to bring added value to the people of the state.

As a legislator, he is well versed in the issues and uses that information to guide him in the right direction. And he is willing to explain what is happening, so everyone understands.

His work for his district and the state is exemplary and we see no need to make a change.
